

"Jeff Fusco has been working for our family for the past 4-5 years. He and his coworkers have completed a great deal of outdoor work for us at our Ocala home as well as our lake home. Each job we have hired him to do has been completed in a timely and professional manner.

We have also called on him to complete work at both of our parents' homes. He will gladly give an estimate before work is begun.

Jeff and his crew have: removed lake weeds, cleared lake beach, replaced sod, trimmed shrubbery, mulched beds, and painted garage floors.

There has been nothing that we have asked Jeff to do that he was unable to complete. We have and will continue to highly recommend Jeff and his services."

"Jeff Fusco has been under my employ as a handyman for over two years. During this time he has done auto detailing, pressure washing, moved furniture, planted palm trees, set up Christmas trees and boxed Christmas trees for storage. He has set up for entertaining and served as bar tender. Jeff weeds our lake front beach front. He also does periodic major yard cleanup."

Jeff and his associates are wonderful. I can depend on any job being completed in a professional, timely manner. He is reliable and trustworthy. I would highly recommend his services."
